**Subject:** Scheduling time to connect on the LNFH NPDES Draft Permit

Hi Mark,

I believe we met at the meeting on this in February (at Ecology HQ with Charlie)? Since then, I've been working on collecting water quality data and I've gone out to see the Hatchery. I thought it would be good to talk with you about the Draft Permit and the 401 Cert when you have a chance. I have MS Outlook so I would be happy to send you a meeting invitation if you let me know some days/times that are open for you. Thanks so much!

Jill
